

All required textbooks, course packets, access codes, supply kits, and lab materials will be sold & shipped from our North Mankato location. We do not carry these items on the Faribault campus.

A Note About PSEO Ordering:

The PSEO program pays for all required textbooks for students enrolled in classes at South Central College. You are renting your materials from the college and will be required to return these items at the end of the semester. If you drop a class, those course materials must be returned to the college within three business days to avoid charges. The Bookstore website requires PSEO students to create a bookstore account to place any orders online.

When you get to the payment screen, you will select the “Stud Acct/PSEO/Other” option from the dropdown menu and type in your South Central College student ID number when prompted. At the checkout screen please add “**PSEO Student**” in the comment box. You will not be charged for your textbooks but will be required to complete the checkout process to order your books. The PSEO program only pays for items marked as REQUIRED. Items listed as OPTIONAL or RECOMMENDED are not included. Students wishing to purchase these items will be required to pay for them on their own.

PSEO students who do not return their materials to the college at the end of the semester or return items that are deemed damaged by bookstore staff will be charged the used price for each item. This charge will be placed on the student’s account the week after the South Central College semester has ended.

Textbook & School Supply Ordering Steps

1. Grab your class schedule and go to www.southcentralbookstore.com.
2. If this is your first time on the site, you will need to create your bookstore account. This can be done by clicking the “My Account” tab. If you already have a bookstore website account created, click the “My Account” tab and log in.
3. To purchase any school supplies, select “Merchandise”, and then add each item to your cart. You can charge school supplies to your student account if you are using your FAFSA, or if you have a company or organization that is paying for them. You cannot charge clothing or novelty items to your account. The PSEO program does not pay for supplies.
4. To purchase textbooks, click the “Textbooks” tab and select “Order Textbooks”.
5. Using your class schedule, select the semester, subject, #, and section for your course. Continue to do this for each course you are taking.

**Pay close attention! Not all instructors use the same books so clicking the incorrect course or section will result in incorrect materials being sent. We are unable to accept returns for certain items if they have been opened, activated, or are received back in a different condition than we sold them.*

Textbook Purchasing Options- What Do They Mean?

Print: This is a physical textbook that you will receive either in the mail or on campus. It will either be bound or a loose leaf which will require a binder to keep it together. These books may be bundled with an access code so it's important to be careful not to throw your items away until you know for sure what you have! The bookstore cannot give additional codes out if you misplace yours. You would be required to purchase a new one.

NEW Books: New textbooks come to the store brand new from the publisher. These may sometimes come wrapped inside plastic.

USED Books: Used textbooks are books that have been used by another student previously, but are still in good condition. These books may have highlighting or notes written inside but are still ok to use for your class. Used textbooks are a cheaper option than new ones if you are looking to save money.

****PSEO students- we will automatically pull used books for your order if they are available.***

Digital: Digital means "e-book" which is an electronic version of the print copy of the book. You will receive an email with instructions on how to access this item from the company the e-book is accessed through, either RedShelf or VitalSource. Nothing will be physically mailed to you. **Due to the nature of e-books, once they have been opened or activated they are no longer eligible for a refund.*

****The PSEO program only pays for one type of textbook per title, so PSEO students can select either print or digital, but not both.***

Access Code: This is a physical code that will be mailed to you. It will either come in an envelope or on a cardboard card. Your access code is your textbook for your course. ****Once an access code has been opened, activated, or scratched off it is no longer eligible for a refund.***

Inclusive Access Course: Inclusive access means you will have instant access to your textbook materials online through D2L on the first day of the course just for being enrolled. You will have an automatic charge added to your student account during the second week of the term, so no additional purchase is required. You will have the option to "opt-out" if you do not want your materials but this must be done during the first five days of the term, and you will lose access to your course if you choose to opt-out of it. You are responsible for watching your student account and making sure this fee is paid.

Supply Kit: This is a kit of specific course-related supplies you will use in class.

6. Once you have all of your courses added, scroll down and click the "View Your Materials" button.
7. Select the new or used option (if available) for each book by clicking the button next to each item. Click "Add to Cart" for each item you are purchasing.

8. Click "Continue Checkout" at the bottom of the page to continue.
9. Review your cart and click "Continue Checkout" when ready.
10. You will be asked questions regarding new/used substitutions, and if you want items added to your order if your instructor adds something additional. Answer these questions to proceed with checkout.
11. Click the "Payment Options" button to continue.

How would you like to receive your order?

12. Select "Locker Pickup" to pick up on campus, or "Ship Directly to Me" to have your order shipped to your home.
13. Verify the billing and shipping addresses are correct and click "Continue".
 - a. If "Locker Pickup" was selected on the previous screen, please select what campus you plan to pick your books up at. Click "Continue".

You will receive a separate email after your order has been processed with pickup instructions. **Please do not come to pick up your items until you have received this email. Your order will not be ready yet.*

- b. If "Ship Directly to Me" was selected, you will see "UPS Ground est. \$0.00" listed as your shipping method. Click "Continue". **At this time all shipping is free, if we need to charge a shipping fee, the dollar amount will be listed in place of the "\$0.00".*

Helpful Tips:

- If one or more of your courses is listed as an "Inclusive access course", we do not require payment at the time of checkout. You will automatically have access to these materials on the first day of class through D2L. A single bookstore charge for these courses will be added to your student account during the second week of the term regardless of the number of inclusive access courses you are enrolled in. Please read the full information on each course listed as Inclusive Access for more details.
- Need a password reset? This can be done by clicking the "Forgot Your Password" button in the "My Account" tab.
- If you are a PSEO student or have a company, agency, or program paying for your books, remember to leave a comment in the comment box at checkout so we charge them and not you.
- If you experience issues placing your online order, please contact us directly at bookstore@southcentral.edu. Make sure to include your first and last name, student/star ID with a brief explanation, and a screenshot of the page you are having problems with. During high volume times such as the start of a semester, it may take up to 48 hours for a bookstore staff member to respond.
- You can find even more tips by clicking the "Frequently Asked Questions" page under the "About Us" tab on the bookstore website.
